

Gordon Hegarty and Sons Ltd is a long-established company located in Carlow, Kilkenny and Kildare dealing in both New and Used Agricultural Machinery and are offering an exciting opportunity to join a hard-working team.

We currently have the following position available

Job Title: Yard Person

Role: We are currently seeking a highly motivated and skilled individual to join our team as a Yard Person. This full-time role is based in a busy machinery premises and requires the candidate to efficiently handle various tasks, including loading and unloading machines, completing paperwork, maintaining the machinery yard display, managing stock control, checking in and out machines, and performing high-quality valeting and washing of machines. The ideal candidate will possess a strong knowledge of the agricultural machinery industry.

Responsibilities:

- Safely load and unload machines from delivery vehicles, utilizing forklifts and teleporters, while adhering to proper lifting and handling techniques.
- Complete all necessary paperwork accurately and efficiently, ensuring proper documentation for inventory control, machine transfers, and customer transactions.
- Maintain the machinery yard display, ensuring an organised, and visually appealing presentation of machines to attract potential customers.
- Conduct regular stock checks and assist in inventory management, monitoring machine availability and reporting any discrepancies or shortages to the appropriate personnel.
- Check in and out machines for service, repair, or demonstration accurately recording relevant details such as machine condition, meter readings, and maintenance requirements.
- Perform valeting and washing of machines to a high standard, using appropriate cleaning equipment, detergents, and techniques to maintain cleanliness and enhance the visual appeal of the machinery.
- Conduct basic maintenance tasks on machines, such as checking fluid levels, tire pressure, and general cleanliness, reporting any issues or concerns to the relevant departments.
- Collaborate with the sales and service teams to ensure seamless coordination and communication regarding machine availability, condition, and customer requirements.
- Provide support and assistance to customers visiting the yard, addressing their inquiries, demonstrating machines if required, and providing general guidance and information.

- Adhere to health and safety protocols at all times, ensuring a safe working environment for oneself and others, and reporting any hazards or incidents promptly.

Qualifications:

- Strong knowledge of the agricultural machinery industry, including various types of machines, their features, and their applications.
- Excellent organizational skills, with the ability to prioritise tasks and manage time effectively in a fast-paced environment.
- Detail-oriented and thorough, ensuring accuracy in paperwork, inventory management, and machine inspections.
- Strong communication and interpersonal skills, enabling effective collaboration with colleagues and providing exceptional customer service.
- Ability to perform manual tasks, including lifting, moving, and cleaning heavy machinery.
- Basic mechanical knowledge to perform minor maintenance tasks and identify potential issues with machines.
- High standards of cleanliness and attention to detail, ensuring machines are presented in pristine condition.
- Ability to work independently and as part of a team, displaying a proactive and flexible attitude.
- Willingness to work in varied weather conditions and occasionally outside regular business hours, as required.

If you meet the above qualifications and are excited to contribute to a busy machinery premises, we invite you to submit your application. Please include your CV, detailing your relevant experience and certifications to jason@gordonhegartyandsons.ie
